Translation:

1. Embraced by the Buddha, you've gone to the Western Shore.
How sad that only fond remembrances (of you) remain.
2. Embraced by the Buddha, you've gone to the Land of Compassion.
How reassuring that you've shown us the way.
4. Embraced by the Buddha, you've gone to the Treasure Palace.
How precious that you've become a shining Buddha.
